Changing Seasons - New Beginnings Self Help Articles | September 7, 2006

A new season is an excellent time to take an inventory of your life and recreate your life in new ways. Declutter your life and set new goals that give you a fresh start. You deserve the best life has to offer!

With each changing season, it's a time to reflect on the past and make plans for the future. The seasons

of the year can be compared to various cycles of our life. When I think of spring, it reminds me of new growth Cheap Rick Karsdorp Jersey , opening up, and coming out into the world. Summer is time for sunshine and playtime ? many of us vacation and enjoy fun activities. Fall marks change and preparation for the colder months. As winter approaches, our focus shifts to warmth and indoor pastimes like blazing fires, board games and snuggling.

Not every corner of the world enjoys the dramatic shifts in the seasons Cheap Radja Nainggolan Jersey , but we can all use the changing seasons as a way to purge the old and start fresh. Use this six step process at the end of each season and transform yourself and your life in new and exciting ways.

1. Clear Out the Old

Old what? Get rid of old clothes you and other family members no longer wear. Throw out or donate old items you do not use. Clearing out the old involves a process of decluttering every aspect of your life. Not only should you declutter your environments, but also your relationships and yourself as well. What old patterns or beliefs no longer serve you? What old behaviors or habits interfere with your goals in life? It's time to cast them out of your life. What relationships in your life are you struggling with? Maybe there are old arguments that need to be put to rest, or old feelings that need to be resolved. By purging the old, you make room for new growth to take place.

2. Take Time to Rejuvenate

End and begin each new season with a getaway that refreshes you physically Cheap Patrik Schick Jersey , emotionally and spiritually. Take a long weekend by yourself or with a special person that fills you up. Do things you don't normally do for yourself. I recently spent a three day weekend with my mom ? just the two of us. We shopped, talked over tea, and watched movies. One day we stopped for a manicure and luxurious pedicure. For me, it was like heaven to sit in a huge massage chair with my feet dipped in warm Cheap Maxime Gonalons Jersey , bubbly water. Taking time to rejuvenate gives you energy and a fresh outlook on life.

3. Reorganize Your Life

Organization does wonders for your life. It simplifies, energizes and generally makes life run smoother. Take a look around your home. What needs better organization? Ca.
