---

It is undisputed that the last season was a huge failure for Cleveland Browns. Before 2021 started Mut 23 Coins, there was a belief that, at minimum, Cleveland was going to be a contender with the Baltimore Ravens for an AFC North crown, likely competing with the Baltimore Ravens while the Steelers were struggling with an aging Ben Roethlisberger and the Bengals were undergoing the Joe Burrow rebuild.

In the in the end Cleveland ended up finishing 8-9 and third in the division and while a bulk of their losses were due to just one point, there's no question that better play from Mayfield would have been the factor that made the difference. When the Browns were defeated by the Packers by two points Mayfield threw four interceptions. In the loss at Baltimore It was Mayfield who did not throw one touchdown. His overall statistics at the end of the season were average, however with a woefully inconsistent play that waxed and waned from the sublime (completing 100% of passes against the Texans in a win) and then to an embarrassing performance (needing 38 attempts to throw for 185 yards in a game vs. The Steelers).

There's no doubt that Mayfield was a huge determining factor in the Browns struggle last year, and it was wise to let him go and go on, even given his lucrative contract. This is the big element which has generated a lot of debate over the last few months. It's hard to determine why players aren't attracted to playing alongside Mayfield There's a clear sentiment that he's reviled within the league.

The truth is: Players speak. They're sociable off the field and players who have college connections discuss their experiences on a regular basis. The issue was raised when Odell Beckham Jr. was angry with Mayfield in the game, and while Cleveland tried its best to safeguard their QB following Odell Beckham Jr.'s demotion, there's no doubt that Beckham Jr. failed to perform anything noteworthy in Cleveland and soared in Buy Madden 23 Coins the Rams however this continued after Jarvis Landry took shots at Mayfield as well.
